

# St. Bernard's O.C. Football Club

## PLAYER SPONSORSHIP

This year we are aiming to have every player sponsored. While most players should be able to find a sponsor with a little effort the club is also trying to find people / businesses that are happy to become sponsors and not concerned whether it's a specific player.

In Season 2008, the Club will field five teams in the VAFA, along with ten Junior teams in the WRFL, and our Auskick program.

St Bernards has a broad community base that recognises and supports our sponsors' businesses. With over 400 players this equates to exposure to 2500 plus locals who use the clubs facilities every week and thousands more who visit the high traffic St Bernards website.

**NOTE: All Sponsorship packages are tax deductible**
